# Orin Swift Wine

## Exclusive, Limited Bottles

The history of Orin Swift Cellars dates back to 1995 when David Swift Phinney and a friend went to Florence to spend a semester "studying". During that time, he was introduced to wine, how it was made, and got hooked. A few more years of university led to graduation and eventually a job at Robert Mondavi in 1997 as a temporary harvest worker. Deciding that he was really liking it, so in 1998 he founded Orin Swift Cellars; Orin is his father's middle name and Swift is his mother's maiden name.
